We would not so often call attention to Harner's Weekly, if we were not well satisfied that it is the best Family Paper published in the United States, and for that reason, and that alone, we desire to see it under-mine and root out a certain kind of Literature too pray-alent, which binnie the morals of its readers, viliates, their tasts for sentible reading, and has already had its effects.—New London Advertiser. Its fresh leaves, its clear type, its entertaining ratio-ty, its severe but just criticisms upon the follow of the times, its eigently written and instructive articles, and its able correspondence, all combine to make it the model newspaper of the country, and one that every family must prize.
